### Cell Structure and Function Assessment Review

Read each learning target. In the evidence section, show that you can do each thing. For homework, check your work using the Life Science Extra Practice and Resource section of the website.

*I can describe and identify Eukaryotes and Prokaryotes.*

Evidence:

*I can explain what all living things are composed of.*

Evidence:

*I can describe the function of each organelle.*

Evidence:

*I can explain how cells' organelles function in different living things.*

Evidence:

*I can explain osmosis.*

Evidence:

*I can explain diffusion.*

Evidence:

*I can compare and contrast passive and active transport.*

Evidence:

*I can explain how osmosis and diffusion are related.*

**Evidence:**

*I can describe what makes up:*

*- organ systems.*

**Evidence:**

*-cells.*

**Evidence:**

*-tissues.*

**Evidence:**

*-organs.*

**Evidence:**
